

TREASURERS NOTES

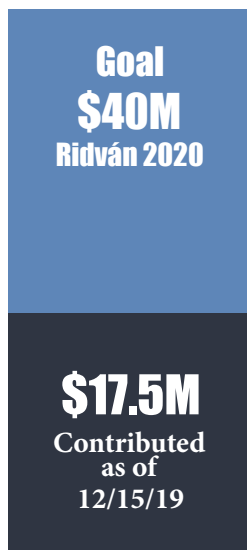

FOR THE FEAST OF SHARAF/HONOUR DECEMBER 31, 2019

**For
Consultation**

“Contributing to the Fund is a service that every believer can render, be he poor or wealthy; for this is a spiritual responsibility in which the amount given is not important. It is the degree of the sacrifice of the giver, the love with which he makes his gift, and the unity of all the friends in this service which bring spiritual confirmation.” – Universal House of Justice, December 18, 1963

Why is the degree of the sacrifice most important for supporting the Funds?

National Fund

- Amount Needed
- Amount Contributed

The Office of the Treasurer received this beautiful note, along with a contribution:

“My husband and I would like to share a Fund story. After a recent communication about the Fund, we decided to send an extra contribution to the National Fund. A few days later, we saw two unexpected deposits in our bank account from the Social Security Administration. The total was almost exactly the amount of our intended contribution! We didn’t discover the reason for these deposits until a letter from the SSA came a week later. The Fund works in mysterious ways!

US Bahá’í Archives Renovation Fund:

\$95,900.46

As of December 15, 2019

Shrine of ‘Abdu’l-Bahá Fund:

\$3.9M

As of December 15, 2019

**We have received the following question in many forms, “Do contributions to the Shrine of ‘Abdu’l-Bahá count toward the National Fund goal?” The Office of the Treasurer would like to share that contributions to the Shrine of ‘Abdu’l-Bahá do not count toward the National Fund goal.*
