

TREASURERS NOTES

FOR THE FEAST OF MULK/DOMINION FEBRUARY 7, 2020

**For
Consultation**

“Since only those who have openly proclaimed their recognition of Bahá’u’lláh are permitted to contribute financially to the establishment of His World Order, it is apparent that more, much more, is required from the few now so privileged. Our responsibilities in this field are very great, commensurate indeed with the bounty of being the bearers of the Name of God in this day.”

— The Universal House of Justice, Ridván 1966

Why is giving to the Funds of the Faith a privilege to a Bahá’í?

National Fund

The Office of the Treasurer received this loving note with a contribution:

“Our community budgeted & saved for a year to make sure we had funds for the 2019 Bicentennial celebration. Which, by the way, was a great success. Jazz, art, meaningful conversations. We had trials along the way [and] even lost our venue due to flooding. In our scramble to get a new venue, we found one for free. We also received donations unexpected that came in. So the end result is we have \$... leftover and after consultation [we] want to make this extra contribution to National to use as you see fit...”

US Bahá’í Archives Renovation Fund:

\$102,879.17

As of January 31, 2020

Shrine of ‘Abdu’l-Bahá Fund:

\$4.8M

As of January 31, 2020

**We have received the following question in many forms, “Do contributions to the Shrine of ‘Abdu’l-Bahá count toward the National Fund goal?” The Office of the Treasurer would like to share that contributions to the Shrine of ‘Abdu’l-Bahá do not count toward the National Fund goal.*
