

TREASURERS NOTES

FOR THE FEAST OF JAMÁL/BEAUTY

APRIL 28, 2019

For Consultation

“The backbone of the Fund must be the regular contributions of every believer. Even though such contributions may be small because of the poverty of the donors, large numbers of small sums combine into a mighty river that can carry along the work of the Cause. Moreover the unity of the friends in sacrifice draws upon them the confirmations of the Blessed Beauty. The universal participation of the believers in every aspect of the Faith – in contributing to the Fund, in teaching, deepening, living the Bahá’í life, administering the affairs of the community, and, above all, in the life of prayer and devotion to God - will endow the Bahá’í community with such strength that it can overcome the forces of spiritual disintegration which are engulfing the non-Bahá’í world, and can become an ocean of oneness that will cover the face of the planet.” -*The Universal House of Justice, Messages 1963 to 1986*

What will endow the Bahá’í community with strength?

The Treasurers Office received the following message:

Dear Friends,

As our world continues to suffer the effects of the moral decline, it is a comfort to be able to take some action that addresses the root of the problem. Once again, it is our immense privilege to contribute to the National Bahá’í Fund. Thank you for your devotion and service to the Cause of Bahá’u’lláh!
