

# TREASURERS NOTES

FOR THE FEAST OF KALIMÁT/WORDS

JULY 13, 2019

## For Consultation

*“Both the local Assemblies and the individual believers should realize that unless they contribute regularly and generously to that Fund the progress of the Faith...will inevitably come to a standstill. There should be a continual flow of funds to the National treasury of the N.S.A., if that body wishes to properly administer the manifold and ever-increasing activities of the Faith.”* — **From a letter written on behalf of Shoghi Effendi**

What spiritual tools do you use that inspire you to give “regularly and generously”?

### National Fund 2019/20

- Amount Needed
- Amount Contributed

### The Treasurers office received this message after a workshop visit:

“Immediately upon arriving home, I updated my contributions to reflect the four funds (National, Regional, International and Local Fund). And my oldest daughter requested my assistance in setting up auto payments for the four funds.

My daughter also wanted to know more - she was visiting over the weekend but I wouldn’t cancel going.

And I’m putting the word out that I’m available to offer a group or individual deepening with the PDF you’ve provided.

I’ve learned a lot. Nice to see so many awesome souls in the same room!”
