

TREASURERS NOTES

FOR THE FEAST OF BAHÁ (SPLENDOUR) MARCH 20, 2020

For Consultation

“It is only evident that unless the flow of donations is regularly maintained by means of generous and continual support by all the believers, individually and collectively, the National Fund will never be able to meet the needs and requirements of the Cause, particularly in these days when the national activities of the American believers are assuming such wide and increasing proportions.”

— Shoghi Effendi, February 3, 1941

Universal Participation

The hearts and prayers of the entire staff of the Office of the Treasurer are extended to all those who have been affected directly and indirectly by the current global challenges. Amid this tumult, we witness daily with increasing gratitude the humbling sacrifices of the friends who rise in greater numbers than ever before to assure the work of His Cause goes forward unimpeded. With an eye on meeting the Fund goal set by our beloved National Spiritual Assembly, we invite the friends to embark on a special initiative aimed at pursuing that goal. With increased vigor and an ever mindful spiritual energy we become the drops feeding a mighty flowing river that carries forward the vital work of our Faith. Please join us in this unified effort toward universal participation to raise the number of contributions to meet this year's Fund goal! As the Universal House of Justice reminds us, *“the unity of the friends in sacrifice draws upon them the confirmations of the Blessed Beauty.”*
