

# TREASURERS NOTES

FOR THE FEAST OF QUDRAT/POWER NOVEMBER 3, 2016

## For Consultation

“The institution of the National Fund, so vital and essential for the uninterrupted progress of these activities must, in particular, be assured of the wholehearted, the ever-increasing and universal support of the mass of believers, for whose welfare and in whose name these beneficent activities have been initiated and have been conducted. All, no matter how modest their resources, must participate.”

~ Shoghi Effendi, August 8, 1957

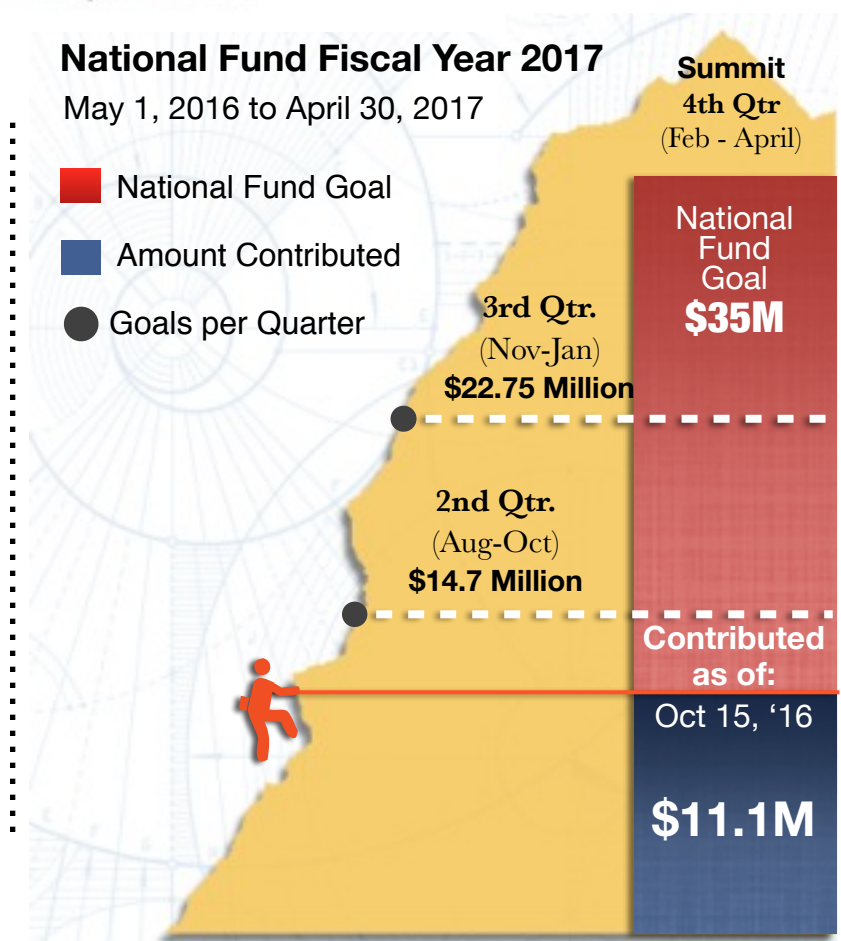

Who must participate in the institution of the National Fund?

### FUND STORY

“My name is John Smith\*. We are very blessed to have a wonderful physician living in the Granite Valley\*. As you know, Dr. Johnson\* treats the Bahá’ís without taking payment for his services. The true role model of a humanitarian, and a very generous thing to do. Dr. Johnson\* will not take any payments from the Bahá’ís. I would like to give the copayment of his office visit to the Fund in his name for his services with our family. I would greatly appreciate if the National Bahá’í Fund would accept this donation in his name.”
