

TREASURERS NOTES

FOR THE FEAST OF KALIMAT/WORDS

JULY 12, 2016

For Consultation

“Since only those who have openly proclaimed their recognition of Bahá’u’lláh are permitted to contribute financially to the establishment of His World Order, it is apparent that more, much more, is required from the few now so privileged. Our responsibilities in this field are very great, commensurate indeed with the bounty of being the bearers of the Name of God in this day.”

~ *The Universal House of Justice, Ridván 1966*

What is required of us as “bearers of the Name of God in this day”?

FUND STORY

We received the following message from a local treasurer:

“The Spiritual Assembly gladly sends a special gift (via OCS) of \$4,250. This is in addition to our regular monthly gift also made via OCS.

We are thankful to start the new year off with nearly five thousand dollars of support for the National Bahá’í Fund. Our efforts this year will be to educate and encourage the friends to generously support all the funds, and to win the National Fund goal well before the end of the year.”

How is your community planning to achieve the National Fund goal early? Let us know at myfundstory@usbnc.org!
