

TREASURERS NOTES

FOR THE FEAST OF ASMÁ'/NAMES

AUGUST 19, 2016

For Consultation

“Contributions to this fund constitute...a practical and effective way whereby every believer can test the measure and character of his faith, and to prove in deeds the intensity of his devotion and attachment to the Cause.”

~ From a letter written on behalf of Shoghi Effendi, September 25, 1934

Why is contributing a way to test the measure of one's faith?

FUND STORY

We received the following message:

“We recently heard that there is a training going on at Louis Gregory and that there are plans for youth to move into the mass teaching areas and work to bring people into the institute process. Since we are not in a position to physically help we would like to offer this small monetary contribution to the project.

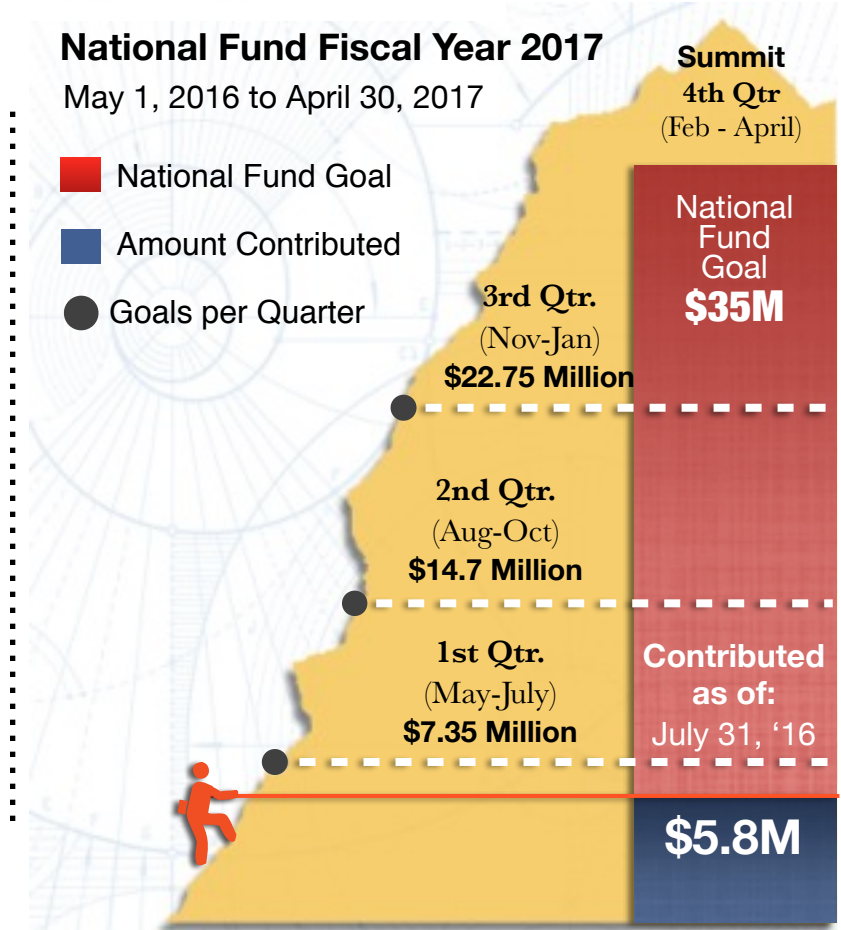

About a year ago we read in the *American Bahá'í* about some wonderful activities happening in South Carolina and we started saying a teaching prayer for the Bahá'ís of South Carolina every day and we will continue. It's a very easy and intimate way for us to participate.”
