

TREASURERS NOTES

FOR THE FEAST OF QUDRAT/POWER

NOVEMBER 3, 2017

For Consultation

“Although the friends are at the early stages of learning about such work and of contributing to the related discourses, the community-building process of the Five Year Plan is creating everywhere the ideal environment in which to accrue knowledge and experience, gradually but consistently, about the higher purpose of economic activity. Against the background of the age-long work of erecting a divine civilization, may this exploration become a more pronounced feature of community life, institutional thought, and individual action in the years ahead.”

~ *The Universal House of Justice, March 1, 2017*

What are some examples of higher purposes of economic activity?

FUND STORY

The Office of the Treasurer received the following note:

“Alláh’u’Abhá!

I sold a watercolor of a lady with a hat for \$100. I had planned to give the small amount to the Faith, but having extra bills delayed it.

So I’m sending more to you, thanking God, thanking the Blessed Beauty for His gifts.”
