

TREASURERS NOTES

FOR THE FEAST OF MASÁ'IL/QUESTIONS

DECEMBER 11, 2017

For Consultation

“The Bahá’ís should not always be the last to take up new and obviously excellent methods, but rather the first, as this agrees with the dynamic nature of the Faith which is not one progressive, but holds within itself the seeds of an entirely new culture and civilization.”

~ Shoghi Effendi, to an individual believer in May 1946

How does the use of the Online Contribution System assist us in moving forward?

FUND STORY

The Office of the Treasurer received the following:

As I very thankfully and gratefully prepare to leave for pilgrimage, I realize this is a GREAT TIME to reflect on how wonderfully the Online Contribution System (OCS) works at times like these. As an Assembly treasurer, even when I can't attend our local Feast, OCS is a huge savings in time and energy for treasurers! Besides saving a lot of time and energy for many, and helping individuals and communities (local, national and international) to know what to plan for in their budgets, another WONDERFUL reason to use OCS is the many blessings that flow to individuals, Assemblies and communities from regular giving.
