

TREASURERS NOTES

FOR THE FEAST OF NÚR/LIGHT

JUNE 5, 2018

For Consultation

“In the Bahá’í Cause arts, sciences and all crafts are (counted as) worship. The man who makes a piece of note-paper to the best of his ability, conscientiously, concentrating all his forces on perfecting it, is giving praise to God. Briefly, all effort and exertion put forth by man from the fullness of his heart is worship, if it is prompted by the highest motives and the will to do service to humanity. This is worship: to serve mankind and to minister to the needs of the people. Service is prayer.”

~ *Abdu’l-Bahá, Paris Talks*

In what ways can we put forth effort from the fullness of our hearts?

FUND STORY

The Office of the Treasurer received the message below:

“Deeply moved by your February 9 letter, our community began discussing ways in which we might be able to assist in meeting our National Fund goal. We lovingly consulted with the friends at the next two Feasts about ways in which we could raise funds while also encouraging universal participation. The Local Spiritual Assembly then consulted on the suggestions and arrived at a decision to hold a dinner and fund presentation in our community. We all agreed the focus would be on educating the friends, and those seekers that are actively engaged in the institute process - on the spiritual significance of donating to the Funds. Our hostess prepared a wonderful Persian dinner and our secretary facilitated an interactive presentation on the Funds - partly drawn from the Young, Broke & Spiritual and Lifeblood Deepening courses facilitated for our community last year. It was a great success attended by twenty Bahá’ís and several seekers from differing Faiths. Our group ranged in age from eight to ninety-four!”
