

# TREASURERS NOTES

FOR THE FEAST OF 'ALA'/LOFTINESS

MARCH 2, 2010

## Treasurer's Talking Points

- ★ \$1.4 million was contributed to the National Fund in January 2010.
- ★ In January 2010, 37 new contributors gave directly to the National Fund for the first time.
- ★ "Hope is welling up in my anxious, overburdened heart that the North American Baha'i Community may yet emerge triumphant over the prevailing crisis, demonstrate its capacity to preserve its hard-won prizes and redeem its pledges through a further display of its qualities of unconquerable faith, unbreakable solidarity, dauntless valor and heroic self-sacrifice, and vindicate its right to primacy in the world community of the followers of Baha'u'llah." ~Shoghi Effendi

## Vignettes of Giving

"The bi-monthly money orders this past year have been from the coffee lattes I gave up on my Saturday mornings so I could give something extra to the Fund."

Hi Kids!

Have you ever heard the word "capacity"? Let's try it this way: How fast can you walk? Or have you ever tried holding your breath for a few seconds? Your speed for walking or the amount of time you can hold your breath is called your "capacity"- it is something you can easily do. Well, that is the same thing with giving to the Funds and learning prayers! Different people can give different amounts - the important thing is the level of sacrifice involved. It's the same with prayers: some of us know many prayers and some of us know a few prayers, but what matters is that we can pray from our hearts whenever we need to.

Click on the link below and try out these capacity exercises. There's also a bonus question that you can answer before you color the drawing in the activity. [LINK WILL GO HERE](#)

Enjoy!
