

## IRREVOCABLE STOCK or BOND POWER

The signature(s) to this Power must correspond with the name(s) as written upon the face of the stock certificate(s) or bond(s), as the case may be in every particular without alteration or enlargement or any change whatever and must be guaranteed by a commercial bank or a trust company having its principal office or a correspondent in the City of Chicago or by a firm having membership in the New York or Midwest Stock Exchange.

If you send a stock certificate, please DO NOT write National Spiritual Assembly in the transfer line on the separate stock power form. Just leave that line blank and sign and date the form. We will then be able to send it to our broker without signing another stock power form. Be sure to mail the stock certificate and the stock power SEPARATELY. It is important that they are mailed in separate envelopes for your protection. If you need more room for information or signatures, use a copy of the relevant page.
